A P U S

It has been brought to the notice of the State Level Committee that the initial subscription of Rs. 25/- towards membership of A.P. Employees Welfare Fund was deducted only from the Teachers appointed before 1979 and working till 1979. This initial subscription of Rs. 25/- was not deducted from the salaries of the teachers who were-appointed subsequent to 1979 till to date. But the amount of Rs. 10/- towards annual subscription only was deducted from their salaries and credited to the A.P. Employees Welfare Fund Account. The initial subscription was not deducted from the Teachers appointed subsequent to 1979 due to ignorance of the Officers and also not knowing that the amount of Rs. 25/- has to be deducted towards initial subscription.

2. In the circumstances explained above it is hereby ordered that all the Landal Development Officers to recover the amount of Rs. 25/- from the salaries of all the Teachers who were appointed subsequent to 1979 and who are in service till to date towards initial subscription for membership of A.P. Employees Welfare Fund and credit it to the Account of A.P. Employees Welfare Fund.
