ORDER:

The Government of India in their letter 1st read above have informed that the provision of grant Maternity Leave has been extended to cases of abortions included under M.T.P.Act.1971.

The Government have examined ;the question of issuing similar orders in the case of state government employees and direct that the abortion induced under the M.T.P.1971 be also considered as a case of abortion for the purpose of granting “maternity leave” to a family Government servant subject to the following conditions.

1. The Leave does not exceed six weeks, and
2. The application for leave is supported by a certificate issued by the doctor who has performed the Medical Termination of Pregnancy.
3. The above orders will not, however, be made applicable to the past cases, which have been decided otherwise.

Necessary amendment to Annexure. VII , Section (ii) to the Fundamental Rules, will be issued from the Finance & Planning (FRS) Department.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)

N.R.V.SWAMY,
Joint Secretary to Government.
