ORDER:

In the order first read above, instructions were issued regarding the taxation of pay of Government employees on promotion to a higher post on the pattern prevailing on the central side. Consequently the provisions of Fundamental Rules and Hyderabad Civil Service Rules were amended. The Government employee were given time of one month to exercise option from the date of their promotion either to have the pay fixed straight-away under FR 22- B on the date of promotion or to have it fixed from the date of next increment in the lower post.

2. In the order second read above the provisions of the new rule introduced through the orders first read above were given effect from 25th December 1982 with monetary benefit from 23rd August, 1983 and the Government Employees were given time to two months from 18th December 1983 to exercise option.

3. The Andhra Pradesh Secretariat Association has represented that due to insufficient time allowed for exercises of option and as the notional pay in the lower categories could not be fixed immediately the options could not be exercised correctly and thus requested to allow the Government employees an opportunity to revise the option if the earlier options are not advantageous.

4. Government have carefully considered this aspect and have decided to allow the Government employees who were promoted on and after 25-12-1982 to 22-8-1983 to exercise option if they have not done to till now or to revise option, if already exercised. They may exercise the option under this order by 31-1-1985.

5. If the Government employees do not avail of this opportunity their pay may be fixed with reference to Rule 22-B or 35-A of Fundamental Rules or Hyderabad Civil Service Rules with effect from the date of promotion or in accordance with the option if any already exercised under orders second read above. No further opportunity will be given in this regard.
