ORDER:

A P U S

It has been brought to the notice of the Govt. that the services of the teachers and other employees of some municipal councils appointed after 2-4-65 have not been regularized. It has been represented that the services of the above staff who have been working continuously from 2-4-65 without break in service may be regularized.

2. The Govt. have examined the matter in consultation with the DPI and the Director of Municipal Administration and they consider that there is no objection now to regularize the services of the temporary teaching and non-teaching staff of the Municipal Councils appointed after 2-4-65 and who are continuing in service with out any break since the state panel committee ceased to exist.

3. The Govt., therefore, direct that the services of all the teaching and non-teaching staff of the Municipal councils appointed after 2-4-65 and continuing in service without any break should be regularized immediately by placing their cases before the panel committees of the concerned Municipalities.

4. The work relating to regularization of services of the teaching and non-teaching staff of the Municipal Councils referred to in para3 above should be completed within a period of one month from the date of this order and compliance reports sent to Govt. immediately thereafter.
