The under mentioned officers are informed that it has come to the notice that at many places the seniority of apprentice School Assistants and regular School Assistants is taken into consideration from the date of appointment and consequently a problem arose as to who will be the senior in a particular school, of these two categories of persons.

The matter has been examined at length and it is clarified that as per Rule 19 of G.O. Ms. No. 221 Edn. dt. 16-7-1994 the apprentice period shall count for probation and seniority also counts from the date of appointment as apprentice teacher.
