The attention of the District Educational Officer, Ranga Reddy is invited to the reference read above, where in he has stated that certain (24) un-trained selected candidates have been passed B.Ed., H.P.T., T.P.T., B.P.Ed., etc., and qualified for the posts of SGT/TP-II/HP-II/PET. Hence he has sought for guidelines:

- i) As to whether they shall be given direct appointment orders without constituting the committee and issue posting orders to schools as SGTs/PETs/T.P.-II/H.P. -II etc.

In this regard, all the District Educational Officers in the State are requested to issue posting orders to the Un-trained selected candidates as and when they produce the training pass certificates i.e. B.Ed/D.Ed Pandit Training/B.P. Ed., etc., in the vacancies are available in category-IV area of Schools. If, vacancies are not available in the said category, then they may be posted in category III area of schools, so on.

Further, they are requested to issue postings orders to such candidates without referring to the committee, since one or two or a few candidates may approach the District Educational Officer for posting after obtaining the requisite training certificate and it may not be possible to conduct counseling at each time by the committees.
